

Planned Research on Aquatic Warbler Song Behaviour

F. Tanneberger (Greifswald University)

Ernst Moritz Arndt
Universität Greifswald

Studienstiftung
des deutschen Volkes

Sponsored by the Scholarship
Programme of the German
Federal Environmental Foundation
DBU
Deutsche Bundesstiftung Umwelt

Research Questions

- ▶ Is the Pomeranian population also distinguished by differences in song behaviour (do the Pomeranian birds sing “Pomeranian”?)
- ▶ Are AW in individually recognizable by their song behaviour (inter-individual differences)?
- ▶ What are the effects of isolation of singing males in Western Pomerania?

Existing material
